

RIDGWAY, PA.

BLACK POWDER CARTRIDGE RIFLE SILHOUETTE MAY 28TH, 2006

For a change the weather was just beautiful for shooting, but again the squirrely wind conditions made for some exasperating moments. But all in all I think everyone had fun.

Not an overly large turnout. We had 24 shooters, one less than last month. Not too sure if it is the gas prices, weather or something else that is keeping the attendance down but please pass the word along to some of the absent shooters that Ridgway still exists and we are still shooting the steel.

Second AAA went to Bill Simmen with a 27 and Rick Coladangelo took Third AAA, also with a 27. We had four people shooting off in this class, all with a score of 27.

Jim Rodgers took First AA (29) with Gary Briggs (28) Second AA. Bobbi Tidrick doubled last month's score for an 18 which took First A. Ed Heeter took First Scope with a score of 25.

I would like to congratulate all of the winners.

I hope to see you at the Pennsylvania State Championship Saturday and Sunday, June 24 and 25th. As it stands right now we will not be able to have someone bring in food for sale so BYOF. Until then shoot straight, often and don't forget to involve the younger generation in our shooting sport.
