ROGER TREMBA TAKES APRIL MATCH

Ridgway just loves to play with our nerves and our shooting skills. Sunday morning gave us some of the thickest fog I've seen since I have been coming here to shoot. Luck would have it the fog burned off in time to have a short practice session and the match started on time. Then the winds started up and, of course, at RRC the winds do not blow steady nor in the same direction.

shoot-off with Gary Schweitzer, who also had a 26. Gary took First Master.

Stephen Maurer took First AAA with a 25, Richard McKinnis was Second AAA. We had a three way tie for Third AAA with John Heeter, Bill Simmen and me. I

believe that during the regular part of the match I shot my best score ever on chickens with a 4 out 10. In the shoot-off I couldn't hit one on the sob's. Third AAA went to Bill Simmen with a 22.

First AA went to Frank Sturm (20) with Second AA going to Larry Kiehl (18). Sam Steiner (20) took First A and we had a young junior shooter, Alfred Aubin, Jr. who took First B.

Most everyone had trouble where they thought there would be none. I know I did. But we can say that at least the sun shown bright which was a rarity during the 2006 season. I certainly hope the rest of the season is as sunny.

Attached you will find the scores to the April match. I am sorry these are so late getting out to you all but there has been a few things going on. I have been traveling for 3 weeks for my business and an injured back has kept me down for about a week now. I am typing this newsletter while hopefully on the mend.

Roger Tremba was our match winner with a score of 28. Great job Roger especially with the squirrely conditions we had. Second open was Brian Chilson with a 26 won in a tie breaker

that volunteered to call relays and those who helped cleanup after the match. Becky and I truly appreciate the help.

The new PA system worked wonderful and we would like to thank all the members of the club for getting this installed for our matches this season.

We have received some nice donations for our State Match in June so the winner of that match could walk away with some very nice prizes. Hope you all can make this match as the more we have the more interesting things get.

Remember to shoot straight, often and don't forget to involve the younger generation in our shooting sport.
