

RIDGWAY RIFLE CLUB

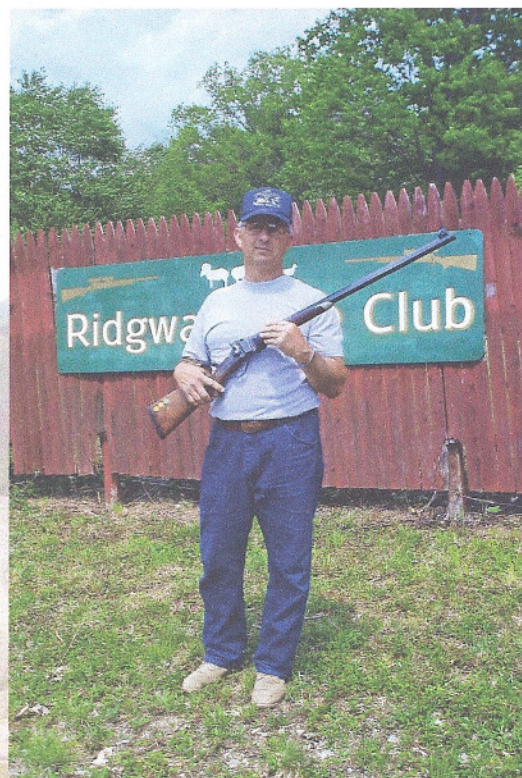

BPCR SILHOUETTE 2007

Ross Arnfield Victor at October Match

Ross Arnfield, of Lisbon Ohio, was our Match Winner for the third time this 2007 season. Ross scored a 33 at our October match in Ridgway Pennsylvania and was one of 41 attendees for this match. Ross was again able to handle the cold and windy conditions that were prevalent throughout the match. The attached picture was one I had on file, as we sure weren't dressed in short sleeves.

Attached you will find the complete list of winners and attendees at our October match so I am going to let that sheet tell the tale. Also, I am enclosing the equipment list from the Eastern Regional Match held in September.

I know this newsletter is late and for good reasons. Our historical busiest time of the year for my company is October through to the week before Thanksgiving and this year was no exception. We also traveled to Connecticut to see our son return from his 6 month deployment at sea on his submarine. He is on dry ground now and hopefully after 4 years on the USS San Juan fast attack Submarine he may be destined for shore duty. We have our fingers crossed.

During this time period Becky had some medical problems resulting in surgery but thankfully she is fully recovered and working diligently on her cards and crafts. She is also making the wedding invitations for my niece who will be married next year.

I received some news from one of our dedicated shootists. Gary Schweitzer, pictured here with Ross, has finally sold his home in Pennsylvania and will be moving to New Mexico. I know he won't be giving up the sport so anyone attending the Nationals at Raton, New Mexico will more than likely see him. Becky and I have

mixed emotions as I am sure you all have, we are sad to see him go but we are happy that he is finally fulfilling his dreams. Good luck Gary and Maggie and enjoy the warmer weather.

Some other news I received, Craig Artman, pictured at right, another avid BPCR enthusiast and Ridgway participant has taken the real one. His quote to me says it all. *"Here's the result of a 540 grain slug pushed by 70 grains black meeting a Buffalo in South Dakota."* That was some great shooting Craig.

I hope everyone had a great Thanksgiving with family and friends. We had a great one. What could be better than a day at home with the family, some turkey and Green Bay Packers football. It just turned out to be a perfect day for me. Oh, by the way, I cook the turkeys in our family so don't think I spent the whole day in front of the TV with the remote in one hand and a beer in the other. That was Becky, just kidding, she don't drink beer.

Well, another shooting year has passed and it was one for the record book. In most of the matches this year the weather cooperated and we had good participation at all of the matches. I must say that the October match surprised me with 41 attending. That is unusual for that time of year. I want to thank all those that help make this year a successful and safe shooting season. I hope to see you all at our 2008 matches with tall tales to tell and new equipment to test out. Have a happy, safe and joyous Holiday Season. Remember to shoot straight, often and don't forget to involve the younger generation in our shooting sport. See you next year.
