## BPCR SILHOUETTE SEPTEMBER 2009

### DAVE HEETER EASTERN REGIONAL CHAMPION

Dave Heeter, of Emlenton, Pa., is now the 2009 BPCR Silhouette Eastern Regional Champion and Gold Medal winner after shooting an impressive total aggregate score of 66 out 80. Dave took the match in a final shoot-off with Brian Chilson of Nelson, Pa. who also finished with 66 out of 80. Even though plenty of rain was in the forecast for the weekend of September 26 & 27 in Ridgway, Pennsylvania, the two day Regional was very well attended with 60 shooters braving cool, wet conditions.

Brian Chilson, of Nelson, Pa., achieves a feat that has yet to be done in BPCR Silhouette shooting. In the Scope class, Brian shot down all 10 Chickens and then to top that off he cleaned all the other banks of animals to achieve a perfect 40 out of 40. I am sorry to say that I wasn't out there to see it

done, but I sure did hear the cheering from the other competitors when his last chicken fell. Can you imagine the pressure that this match presented him and Debbie, not only to have knocked down his 10th chicken but on his last bank of animals, pigs, and after knowing that 39 steel targets have fallen to his bullets, would that last one bite the dust also.

This was Brian's 5<sup>th</sup> Eastern Regional Scope Championship, and Gold Medal, with a National Record score of 73/80. As we all know this is a "team" sport as it takes more than the person behind the trigger to make each shot count and Debbie is one of the best spotters around. Together they make a formidable team who constantly communicate between each other to arrive at that one best setup for each and every shot fired down range. It is this dedication and perseverance for excellence that has helped achieve this National Record. Congratulations to both Brian and Debbie on achieving this milestone.

I would also like to thank all those that helped make this Championship run smoothly over the weekend. Debbie & Brian Chilson along with Al Ogden took care of painting and setting the targets up prior to the match. Brian & Deb also transported the Target Setters to and from the bunkers. Thanks to Elaine Haagen, Maureen Kemmett, Mike Shamonsky, and John Estok for calling the relays. Also Lester Henry, Roger Tremba, Lorren Brown and others who helped clean and pickup after the matches. Without all of your help it would be very difficult to run these matches.

Again I would like to congratulate all of the winners in the 2009 Eastern Regional BPCR Silhouette Championship and I hope you all had a wonderful time in Ridgway. Please remember we still have one more match this year on October 25<sup>th</sup>. I hope to see you all there and please bring along a friend.

Remember to shoot straight, often and don't forget to involve the younger generation in our shooting sport.
