

To Everyone

Thank you to all who participated and those who helped make it a great weekend.

Hope to see you all at the High Power States September 19 and 20.

We are looking at 4 relays on Saturday, with Sunday to be determined.

The range will be open all day on the 18th for practice. Rifles will be checked in starting the afternoon of the 18th and registration will begin early evening of the 18th. You can email me with squadding requests.

Lunches on the 19th and 20th will be available for purchase. Joey's will be catering.

Dinner for Saturday evening for all competitors and guests is free.

As many of you may have heard we have been holding military semi auto silhouette matches.

The turn outs have been increasing up to 20 shooters at the last match.

Please let me know if you would like to try it on Saturday the 19th we will be letting people sign up on two relays. One with their standard rifle and another with their military. Military rifles will be kept on banks 9 and 10.

Next year in June we will have the first ever Military semi auto State Championships.

We have been in contact with the NRA on this and it will be the first time that National records will be able to be set!

Thanks again, Mark and everyone at the RRC
